We do not have a Doc Unit Leader here. We've been asked to save all the info we produce to the above R8\_Documentation\_Unit\_Leader@epa.gov.

Marty/Eric,

Do you guys want a hard copy of the data which would include everything we have such as kmIs, jpegs, jpeg2000, basically the everything that gets kicked out.

I can have the drives shipped to your locations. If you want them let me know a good Fed-Ex account.
